You should be loved some times
And we will coming
You should be saved tonight
We will go for glory

Don't go away today
You will be burning
Yesterday they said
Today I`m showing

You`ll be a part of me
I hope my swallow
We`ll be a disagree
But no tomorrow

We go to road of hell
My flash is bleeding
But it is only sleep
My books is reading

We go away from right
Today I`m shuffle
And always be alright
But now I`m really afoul
